

LIST OF NPTEL COURSES FOR CIVIL ENGINEERING FOR ACEDMIC YEAR JANUARY-APRIL, 2018

department	Course Name	Exam slot
Civil Engineering	Water Economics And Governance	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Hydration, Porosity & Strength of Cementitious Materials	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Digital Land Surveying And Mapping(DLS&M)	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Electronic Waste Management - Issues And Challenges	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Sustainable Engineering Concepts And Life Cycle Analysis	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Introduction to Geographic Information Systems	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Earth Sciences For Civil Engineering Part - I & II	Exam Date : April 28 & April 29 - Forenoon
Civil Engineering	Applied Environmental Microbiology	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Mechanics Of Materials	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Soil Mechanics/Geotechnical Engineering I	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Energy Efficiency, Acoustics and daylighting in Building	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Digital elevation models and applications	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Photogeology In Terrain Evaluation	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Mineral Resources: Geology, Exploration, Economics And Environment	Exam Date : April 28 & April 29 - Afternoon
Civil Engineering	Introduction To Mineral Processing	Exam Date : April 28 & April 29 - Afternoon
