Plastic waste has emerged as one of the biggest environmental hazards adversely impacting the soil, water, health and well-being of citizens at large.

Our college has also taken initiatives to campaign for reducing use of plastic. All students and staff are requested to follow the below listed measures to reduce the use of plastic and protect the environment.

1. Avoid bringing non-bio-degradable plastic items to the institution.
2. Sensitize your households and neighboring places about harmful effects of plastics and make their households 'plastic free'.
3. Avoid use of plastic water bottles, and encourage use of alternative solutions like cloth bags, paper bags etc., instead of plastic bottles, bags, covers and other goods on campuses.
